## Why did we choose FedEx?

Competitive rates. The State of Rhode Island chose FedEx as part of Governor Donald L. Carcieri's Fiscal Fitness Program, in which the State Division of Purchases negotiated an aggressive contract that saves money on express and certain ground shipping. And now you can benefit from these new agreements.

## Who can take advantage of state contract rates?

All Rhode Island State and quasi-public agencies, public universities, municipalities and school districts with a FedEx account are eligible. To verify an existing account or to set up a new account, call the government hotline at **800.645.9424** and identify yourself as a Rhode Island government employee. Then go to **fedex.com** to get started.

## Who can I call if I have questions?

For more information contact Rhode Island Enterprise Mail Operations Manager, Michael Lombardi at **401.462.4702**, Local FedEx Representative, Susan Derouin at **401.439.3943**, or National FedEx Representative, Monica Fleischmann at **703.866.2014**.
